THE VISION

OWNERSHIP LAYER FOR GLOBAL CULTURE

We are building the ownership layer for global culture.

- >> More than just a meme: Pepe as the face of onchain sports.
- >> Powered by Base: Scaling culture to the next billion fans.
- >> \$BCC: The currency of culture competition.

WMOS • WORLD CUP OS

THE TRUST LAYER

World Cup OS is the cryptographic backbone for sports.

wmos.buildingcultureid.space

- >> Powered by TxLINE: Real-time match intelligence.
- >> Cryptographic Proofs: Every match outcome verified on Solana.
- >> Automatic Settlement: No disputes, no delays, pure truth.

MATCHDAY

TURN EVERY GOAL ONCHAIN

Turn every goal into an onchain asset.

match.buildingcultureid.space

- >> Live Match Center: Real-time XP polls during the game.
- >> Collect Moments: Claim match highlights as Solana-based NFTs.
- >> Prediction Passport: Build your onchain reputation as a sports master.

AGENTX

INTELLIGENCE ON DEMAND

Deploy AI agents to trade the momentum of global culture.

agentx.buildingcultureid.space

- >> AI Trader: Real-time signals powered by TxLINE.
- >> Smart & Autonomous: Deploy your own agent with one click.
- >> Onchain Strategy: Performance-driven trading on culture-backed assets.

THE \$BCC TOKEN

FUEL FOR THE CULTURE LAYER

\$BCC is the fuel for the Building Culture ecosystem.

01

GOVERNANCE & REWARDS
